It's never been a more exciting time to be a tax practitioner. In an ever more connected world, tax professionals have to stay on top of their game to take advantage of the challenges and opportunities that today's business offers. But how do you make sure you stand out?

### Give yourself a clear advantage with ADIT.

ADIT, the international taxation credential, is an advanced level designation in international cross-border tax. Designed by a board of world leading experts, it has been created to provide the robust foundation in international tax that today's professional needs to stand out from the crowd.

Join us and find out how this challenging and globally recognized qualification can reward you, your career and your employer.
