BEST LEGAL Conference: Exploring the Convergence of Law and Technology

Limassol, 26 July, 2023

The IX Annual BEST LEGAL Conference is set to take place on September 27-28 at the Four Seasons Hotel in Limassol. As every year, the conference brings together experts in Cypriot and international law, creating an exceptional platform for knowledge exchange, networking, and exploring the latest legal advancements.

The conference's core mission is to empower corporate lawyers and international business executives with a comprehensive overview of the most recent laws, regulations, and innovations in Cyprus's legal landscape.

Embracing the Future: Focus on Technological Solutions in the Legal Sphere

This year, the focus will be on new technological solutions in the legal sphere, discussing how artificial intelligence and blockchain technologies will impact local legal practices and transform the business world. By exploring innovative solutions, the conference seeks to equip legal professionals and businesses with the knowledge to adapt and thrive in the digital era. Among other subjects: New Commercial and Admiralty Courts in Cyprus, Extradition Law Implementation, Digital Transformation of Dispute Resolution, Legal complexities related to emerging technologies.

Networking Session: Legal Meets Tech

As an integral part of the event, the conference will host a special networking session titled "Legal Meets Tech." This informal moderated round table interaction in small groups will bring together the founders of start-ups, tech industry professionals, various business representatives and conference delegates. The session aims to foster valuable connections and collaborative opportunities among participants, facilitating a dynamic exchange of ideas and experiences.

The conference will be conducted in English and is accredited with 4 CPD points from Cyprus Bar Association.
